University Finance Presentation - 20th March 2014 6.00pm

Dear Parent/Carer

Now that all UCAS applications have been completed and many of our Year 13 students have had interviews and offers of university places, the next thing that they and you need to consider for September is student finance.

The process of applying for student finance can seem a daunting one; even for parents who have been through this before, things regularly change. I am confident that our students have been given the appropriate support and guidance for their UCAS applications; the finance process has also been explained to them.

However, I am aware that many parents are unclear and uncertain as to the different options and finance routes that are available to them. Therefore I have arranged an evening in school for Debra Worthing, the Education Liaison Officer from Manchester Metropolitan University to provide parents with an overview of student finance, plus tips and advice on how to complete the online form; the presentation is followed by a question and answer session. The presentation will take place on 20th March at 6.00pm and will last for approximately one hour.

I am sure the evening will be useful and informative for you; students are also welcome to attend. Additionally, parents of students in Year 12 are also welcome to attend, as I know many are keen to get as much information as possible about the university application process.

Can I also take this opportunity to mention to Year 12 parents that I will be holding a UCAS information evening on 23rd June at 6.00pm where I will be giving an overview of the UCAS website and the stages of applying for university courses. I will send further details nearer the time.

If you would like to attend the finance presentation, please complete the slip below and return it to me.

Yours sincerely
