

The Tarporley Twinning Association

A fantastic opportunity for KS3 French students at Tarporley High School to experience!

The Tarporley Twinning Association has been going for 30 years and is a great opportunity to promote a love of language learning. French children are matched with English children of a similar age, and somewhere between 10 and 20 teenagers get involved at a time. This year, it is the turn of 19 French children to come here and next year, we go to France!

The Tarporley Twinning Association are, therefore, looking for host families for French children aged between 11 and 15 from Saturday 20th to Saturday 27th August. Host families must be willing to provide bed and board, but the cost of all organised activities for the French children are covered by the Twinning Association. There are several whole group activities organised, so it is always a very social, enjoyable week for all involved!

Please contact Ann Bodfish for more information, if you would be interested in getting involved:
