

Tarporley Sixth Form College Year 13 Prom

Our Sixth Form Leavers Prom was an outstanding success this year. Held at Peckforton Castle, the Sixth Form College sent their Year 13s off in style. At the end of a very busy exam season, the hard working students were finally able to let off some steam; following a meal and a presentation of awards, they danced into the night. This has been an outstanding group of students who have worked extremely hard and enthusiastically throughout their time in Sixth Form. They had a night to remember and we are looking forward to celebrating their success on results day in August.
